As with any Athletic event running a road race involves risks of serious injury. Potholes and surface debris can and does exist on course. Motorists, cyclists, pedestrians and animals may accidentally or deliberately create hazards. There is also the physical strain of participating in a long-distance race. I know of the risks involved and agree to assume all risks of personal injury or any other physical or emotionally ailments. I hereby waive all liability claims against the Village of North Branch, Lapeer County, North Branch Lions Club, any and all sponsors.
